HAVE YOU PLAYED THIS PIECE WITH PIANO BEFORE? YES NO

Please time your recital piece. Due to the number of students on recitals, we prefer that you choose a recital piece or movement that is under 6 minutes.

The recital piece should be a polished solo piece that is memorized, fluent, and will show the student's best playing— a piece that has been studied over a period of time. **Please consult your teacher in choosing an appropriate recital piece.**

If your piece is not in the Suzuki repertoire and requires piano accompaniment, please mail the original or a copy of the piano part by June 1.

Siblings will automatically be scheduled for the same recital, unless you request otherwise.

We are happy to give all of our students the opportunity to play on a solo recital, but this form must be received by June 1 to be scheduled.
